

SURAJ PANDEY

Cloud Support Associate | AWS Cloud Computing | Linux Administration | Networking

Ghazipur, Uttar Pradesh, India | +91 7355419400 | suraj041199@gmail.com | linkedin.com/in/surajpandey041999

PROFESSIONAL SUMMARY

Aspiring Cloud Support Engineer with a hands-on foundation in AWS cloud computing, Linux administration, and networking. Cisco Networking Academy certified in Linux Unhatched and Introduction to Cybersecurity; currently completing AWS Certified Cloud Practitioner, AWS Certified Solutions Architect - Associate, and CCNA certifications. Practical experience with EC2, S3, Lambda, IAM, and VPC through self-directed labs and AWS Skill Builder Quest labs. Seeking an entry-level role in Cloud Support, IT Operations, or Cloud Administration.

CORE SKILLS

- Cloud Platforms & Services: AWS (EC2, S3, Lambda, IAM, VPC, Security Groups, CloudWatch, ECS, ECR, EKS, Fargate), Cloud Architecture, Cloud Security, Cost Optimization
- Operating Systems: Linux Administration, Linux Command Line (Bash), File Systems, Server Management, Windows Administration (basic)
- Networking: TCP/IP, Subnetting, Routing & Switching, VLANs, Network Security, Firewalls, CCNA Concepts
- DevOps & Automation: CI/CD Concepts, Infrastructure as Code (IaC) Fundamentals, Docker Fundamentals, Containers, Automation Scripting, Git & Version Control
- Security: Cybersecurity Fundamentals, IAM Policies, Firewalls, Secure Cloud Architecture Basics
- IT Operations: Technical Support, IT Troubleshooting, Incident Handling, Technical Documentation
- Professional Skills: Problem Solving, Analytical Thinking, Continuous Learning, Team Collaboration, Communication

CERTIFICATIONS

- Linux Unhatched — Cisco Networking Academy (in collaboration with NDG), Issued June 2026
- Introduction to Cybersecurity — Cisco Networking Academy
- AWS Certified Cloud Practitioner (CLF-C02) — In Progress, Exam Preparation
- AWS Certified Solutions Architect - Associate (SAA-C03) — In Progress, Exam Preparation
- Cisco Certified Network Associate (CCNA) — In Progress, Exam Preparation
- Certificate of Distinction — Google Gemini QuizOff 2026
- Oracle Cloud Infrastructure Certified AI Foundations Associate

HANDS-ON PROJECTS & LABS

AWS Compute & Storage Lab

Self-Directed

- Launched and configured EC2 instances (instance types, custom AMIs, backups) and deployed S3 buckets with lifecycle policies and access control for cost-optimized storage

Serverless Event-Driven Application

Self-Directed

- Built AWS Lambda functions triggered by Amazon SQS and S3 events to implement event-driven, serverless architecture within AWS Free Tier limits

Cloud Networking & Security Practice

Self-Directed

- Configured VPCs, security groups, and IAM policies, applying CCNA networking concepts (subnetting, routing) in a cloud environment

AWS Skill Builder Quest Labs & Linux System Administration

Self-Directed

- Completed guided AWS hands-on labs for Cloud Practitioner exam prep; practiced Linux CLI operations, file systems, and user/permission administration

EDUCATION

**M.A., Political Science & Public Administration — Veer Bahadur Singh
Purvanchal University (VBSPU), Jaunpur**

2025

**B.Ed., Bachelor of Education — Veer Bahadur Singh Purvanchal
University (VBSPU), Jaunpur**

2023

**B.A., Bachelor of Arts — Veer Bahadur Singh Purvanchal University
(VBSPU), Jaunpur**

2021
